## SHIMON EREM

GENERAL ISRAELI DEFENSE FORCES, RETIRED  
ONE OF THE MOST CELEBRATED ISRAELI GENERALS  
OF ALL TIME

"Dave Hunt's JUDGMENT DAY! has encyclopedic dimensions of the most crucial and vital issues of our times... 'Life and Death' issues, which affect us both as individuals and as a Judeo-Christian community. In 1948, when the State of Israel was just re-established, 600,000 Israelis faced 80 million Arabs! Sixty-thousand ill-trained and ill-equipped Israeli 'soldiers' of a newly organized army (six months old) crushed 600,000 (a ratio of one to ten) soldiers of four Arab armies, well trained and heavily armed, reinforced by units from seven additional Arab countries, not to mention the active help of the British. Shame and humiliation overwhelmed the whole Islamic world! To eliminate Israel, a strategy was conceived, establishing the 'unholy trinity': Islamic terrorism, a hostile, anti-Semitic Europe, and a corrupt United Nations. The slogan of conquest is: 'First the Saturday people, then the Sunday people.' Europe has already been invaded by hordes of Muslims. It is all there in Dave Hunt's JUDGMENT DAY! Who is next? USA?! Like the biblical prophets, Dave Hunt has a vision and is not hesitant to issue a Battle Cry. JUDGMENT DAY! is a must-read and a call to action! James' statement (2:26), 'Faith without works is dead,' cannot be ignored! Not only will Faith be dead, but, alas, the faithful too...unless we act! Dave Hunt makes it utterly clear in JUDGMENT DAY! It is a powerful book!"

COLONEL, USMC, RETIRED

*Former Marine Chair for Security Studies,  
George C. Marshall Center, Garmisch, Germany*

"JUDGMENT DAY! is a tour-de-force, both in scope, scholarship, and insight. This superbly researched work examines the most vexing global security issue facing our world today. Among his other achievements in JUDGMENT DAY!, Dave Hunt invites the reader to honestly examine and evaluate almost 1,400 years of Islamic history. For students of history, JUDGMENT DAY! is refreshingly honest when one considers the whitewash given this topic in mainstream academia today. For those who believe that Islamic militancy is an aberration of the Muslim faith, that the Jihadists have no (ruthless) designs for world domination, or that Muhammad was a man of peace, this book is required reading. Dave has exposed the blind side of Western liberal thinking with respect to the threat posed by the Islamists to individual freedom, democracy, and world peace. How else does one explain that in the Islamic State of today there is virtually no room for the basic freedoms that we enjoy in the West? Those of us living in the democracies of the West ignore this sobering, well-documented assessment at our own peril."

USAF, NATIONAL CHAPLAIN, WASP

*One of the only 25 women pilots who formed the original WWII Women's Auxiliary Ferrying Squadron (WAFS) in 1942. (In 1943, upon graduation, newly militarily trained women pilots began to be assigned to the WAFS.) The name was then changed to Women Air Force Service Pilots (WASP). Mrs. Watson is the national chaplain of the WASP.*

"JUDGMENT DAY! is a great revelation to the general public regarding the truth about the Islamic religion. It is a highly academic and well-documented presentation of the facts, yet written in a warm-hearted style that makes for outstanding reading. Dave develops a foundation of the beginnings of the nation of Israel and the religion of Islam, building to the end results today, as the forces of Allah threaten to take over the world. For those knowledgeable about Islam and those who are unfamiliar with the nature of it, JUDGMENT DAY! will help the reader to understand what the Muslims do, what their mindset is, and what our response should be."

# CLYDE F. AUTIO

MAJOR GENERAL, USAF, RETIRED

“Once in a great while, a book appears that dares to challenge the prevailing spirits of the culture. Dave Hunt’s book, *JUDGMENT DAY!*, is such a book. Dave has dared to take on the divisive and potentially destructive liberal stronghold of political correctness by presenting an excellently documented work about one of the greatest threats faced by the United States, and probably the entire western world: Muslim terrorism and the eventual ‘Muslimization’ of the West. Mr. Hunt and I do not agree on a number of theological points, one being the role of the nation of Israel in future history. However, I learned many years ago that if I limited my reading and listening to only those people with whom I fully agree, my life would at best be an empty vanilla existence and at worst blindsided by facts from my adversaries. *JUDGMENT DAY!* is a book that is a must read for every leader, church worker, and person of influence. It clearly sets forth not only the current goals of Islam but also recounts the long history of a religion that has prospered by the sword and reveals how Muslim-dominated nations deny the most basic elements of a free western civilization. Even though most Muslims are not Arabs, the Wahhabi sect domination of Islam is forcing the religion back to an eighth-century desert culture. The United States must develop an accurate working knowledge of Islam and become unified in the war against Muslim terrorism or live in a world filled with hate, destruction, threats, and eventual capitulation of our most respected human rights. We must demand that our nation’s leaders, in every venue, project a clear understanding of the threat and set forth both domestic and international goals to defend the United States! As Dave Hunt so clearly reveals, we must not continue to permit Muslim education, apologists, or religionists to have access to use our freedoms and institutions for their destructive purposes.”

# DAVID FUNK

MSG, USA, RETIRED

“*JUDGMENT DAY!* is without a doubt a must read! Dave Hunt’s superb historical research documents the seriousness of the Islamic threat not only to Israel but to every non-Muslim nation on earth. As the scholarship of this book clearly proves, militant Islam is not an aberration but a global force intent on destroying the very foundations of freedom and democracy for every man, woman, and child on the planet—and will not stop until worldwide submission to its god, Allah, is achieved. As *JUDGMENT DAY!* so aptly illustrates, at the heart of Islam is an appetite for absolute rule that cannot be appeased; it leaves freedom-loving leaders no other choice but to defend now—or be dominated for life.”

"This latest book from Dave Hunt is a must read for everyone everywhere. Well written and heavily documented, **JUDGMENT DAY!** makes us realize that we need to wake up to the truth of what is happening in our world. The information it contains is shocking, but the reader will be thankful for the facts. The further one reads, the more compelling it becomes. Especially impressive is the courage of the author to name many of our most highly respected leaders—exposing the truth of where they have stood regarding Islam and Israel."

# DAVID SIEGEL

FREELANCE RESEARCHER AND EDITOR OF MEMOIRS  
OF HOLOCAUST SURVIVORS; ISRAELI CITIZEN

"Dave Hunt's **JUDGMENT DAY: Israel, Islam and the Nations** is written from a clearly biblical perspective. His treatment of the subject offers no room for political correctness, ecumenical accommodation, or denominational loyalty. Hunt believes that many who claim to be Christians either fail to understand what the Bible says about Israel, or they willfully go against what is written. Whether they are presidents, prime ministers, popes or pivotal Protestant leaders, they risk much by going against what is plainly written in the Bible. The forces arrayed against Israel are well-organized, and quite committed to her destruction. It would be a move of wisdom for Christians to make sure which side they are on. As a Jew of Israel, I have come to appreciate the Biblical imperative for sola scriptura Christians to support Israel—spiritually, theologically, and personally—through the writings of Dave Hunt."

# WALID SHOEBAT

FORMER PLO TERRORIST AND AUTHOR OF *WHY I LEFT JIHAD*

"I have studied Dave Hunt's writings for years as he has stood against the tide, relentlessly exposing evil. In comparison with so many who have come and gone, or others who water down the truth, Dave runs the course and fights the good fight. Indeed, for years Dave Hunt has been a great inspiration to me and to many who came out of the darkness of Islam. In his new book, *JUDGMENT DAY!*, Dave calls a spade a spade and tells it as it is. He accurately, and with much historic and biblical evidence, shows beyond any doubt that the world is on a downward spiral—and is clueless regarding the significance of the Bible, Israel, and the coming danger—by the irrational sellout of Israel. *JUDGMENT DAY!* is a must-read and is crucial in exposing the things you never see in the world media regarding human destiny and the eternal consequences we face if we ignore the detailed biblical warnings so carefully detailed in this book."

"One of the basic tenets of warfare is 'Know your enemy.' Dave Hunt's *JUDGMENT DAY!* introduces and explains the radical faith of Islam and the actions of its subscribers. Any military that takes on this perversion of truth in battle is doomed for defeat unless they can look beyond the current psyche that all men and their religious beliefs are good, if just understood. A 'must-read' for all U.S. State and D.O.D. personnel as they execute this current world war. Military chaplains should read it, as they have an obligation to prepare their troops concerning the historical and religious workings of the pending enemy."

"This is the most important book on the issues of the Middle East and the Holy Land. Strangely enough, historians, politicians, journalists, and even Christians believe the lies and falsification of "history" conceived by the Muslims and repeated as fact through decades and centuries of propaganda. Dave Hunt goes to the roots and digs up from history...the coming judgment on Israel, Islam, and the nations. Everyone who loves the truth—whether Christian, Muslim, or Jew—should read it. This book can change hearts—and even today's politics."

"It has been said that there may be moderate Muslims, but Islam is not moderate. Dave Hunt ably exposes this fact and reminds us that the Islam producing today's terrorism is the Islam of its founder, Mohammed. As such, it is as much a threat to Judaism and Christianity today as it was when it was first spread by the sword in the seventh century A.D. ## 1—THE STAGE IS SET

THE CONFLICT BETWEEN TINY ISRAEL and the vast coalition of Arab/Muslim nations arrayed against her is without question the most dangerous situation facing the world today. It is also the major subject of the Bible, in which are recorded in detail, two thousand to three thousand years before they occurred, the events leading to today's Middle East debacle. Furthermore (a fact to which political and religious world leaders surprisingly pay little attention), the Bible not only foretold the tragedy in detail but declared its outcome. The consequences of this fact are logical and obvious: if the Bible is in error concerning Israel, its major subject, then all of the synagogues and Christian churches that claim to base their beliefs upon those Scriptures ought to admit that fact and shut their doors. If, however, the Bible is true, then the nations of the world ought to govern their conduct accordingly; for if they do not, the consequences will be disastrous. The following pages throw out this challenge to the world.

Nearly 30 percent of the Bible is devoted to prophecies. These are not cheap psychic predictions or the vague French quatrains of a Nostradamus that seemingly can be made to fit every new event that arises. Biblical prophecies are direct, straightforward, and fully

verifiable declarations foretelling major events in world history centuries and even thousands of years in advance. There are no such prophecies in the Qur'an, in the Hindu Vedas, in the sayings of Buddha or Confucius—nothing that even comes close in any writings, religious or secular.

It is to the fulfillment of these prophecies, witnessed by the world, that the God of the Bible points as proof that He alone is the true God: “I am God...there is none like me, declaring the end from the beginning, and from ancient times the things that are not yet done...before it came to pass I showed it thee...new things do I declare: before they spring forth I tell you of them.”<sup>1</sup> The Bible’s many prophecies identify beyond question the one true God and the Bible as His unique revelation to mankind.

Who is this God who inspired the Bible through some forty different prophets over a period of sixteen hundred years? The Bible says His name is “I AM [Yahweh]”<sup>2</sup> (meaning that He is self-existent, without beginning or end). Nine times He is called “God of Abraham...Isaac...and Jacob.”<sup>3</sup> From these patriarchs, the Jews have descended. Yahweh, to whom we just referred, is called “the God of Israel” 203 times—and it is to Israel that He gave the Promised Land.<sup>4</sup> *Never* is He called “the God of Ishmael” (from whom the Arabs claim descent), and *never* is He called “the God of the Arabs.”

Of course, *never* is He called “the God of the Americans,” or of the French, the Russians, or anyone else. And that this God is not Allah of the Muslims is made absolutely clear. Those who may be offended by these facts need to take their complaint to the God of the Bible, not to this writer. My purpose is only to point out precisely what the Bible says—truth that most ignore and many refuse to accept, but which we will prove in the following pages from history and current developments in the Middle East.

It rankles many people that the Bible repeatedly declares that the Jews are God’s “chosen people.”<sup>5</sup> That was His choice, whether the rest of us like it or not. So at the very outset of our study, the identity of the God of the Bible must be made clear.

Some of the prophecies to which we will turn are specifically *for our day*. They set the stage for severe judgment from God, for which planet earth is rapidly ripening. This will become clear as we proceed.

Indisputably, Israel is the major topic of biblical prophecy, just as it is of the daily news. The word “Israel” is found 2,565 times in 2,293 verses in the King James translation of the Bible, while “Jerusalem” is found 811 times in 764 verses. In contrast, the word “Jerusalem” is not found even once in the Qur’an. Yet Muslims insist that Jerusalem is their third holiest city. That this is a false claim we will document beyond dispute, as well as the fact that those who call themselves “Palestinians” and who make the claim that Israel is occupying their land are imposters (*see chapter four*).

Prophecies concerning Israel and Jerusalem are precise and beyond misinterpretation. We will confine ourselves to several that are clearly being fulfilled in our times. Some of them specifically warn of God’s judgment upon those who attempt to bring a “peace” to the Middle East that defies what God has decreed for His people Israel. The methods that the West has adopted in recent decades are denounced in Scripture, including the current “road map to peace.”

Remarkably, the prophecies upon which we will focus in the following pages could apply only to the present day. Unrecognized by world leaders, who ignore the warnings in the Bible, God is at work behind the scenes, bringing about events that He has foretold in His Word. In the following pages, we will present specific, fulfilled prophecies for our day—examples of what God says He is *presently* doing on this earth—and the punishment He is about to pour out upon *all the nations* for their mistreatment of His people, the Jews, and the nation of Israel. Hundreds of prophecies fulfilled in the past are the guarantee that biblical warnings that apply to our generation are not empty threats.

## A CUP OF TREMBLING, A BURDENSOME STONE

Two thousand five hundred years ago, the God of the Bible, through His prophet Zechariah, declared, “Behold, I will make Jerusalem a cup of trembling unto all the people round about, when they shall be in the siege both against Judah and against Jerusalem.”<sup>6</sup> This is an amazing declaration—not only that Jerusalem, which was then in complete ruins, would be the focus of worldwide attention one day but also that all of Israel’s neighbors would be united against her.

Throughout its history, Israel has had many enemies (Egyptians, Philistines, Syrians, Assyrians, Babylonians, etc.). Never, however, did “all the people round about” (i.e., her neighbors) join together in common cause to destroy her. This is true today, exactly as the Bible foretold, *for the first time* in Israel’s history! Moreover, it marks the beginning of the end of anti-Semitism, as we shall see.

God goes on to say, “And in that day will I make Jerusalem a burdensome stone for all people....” The language is very precise: a “burdensome stone” for “all people” but a “cup of trembling” for Israel’s neighbors around her. What is the difference?

For more than fifty years, Israel’s neighbors have attacked her repeatedly and she has proved too strong militarily for them, even though they outnumber her fifty to one and have tried to catch her by surprise. Soundly defeated every time, her neighbors tremble and feign a desire for peace, with the aim, of course, to ultimately deceive and annihilate her—a strategy established for Muslims by Muhammad himself, the founder and prophet of Islam.

The God of the Bible has promised to protect Israel, while Allah of the Qur’an and Islam has sworn to put an end to her. The real battle is not between Arabs and Jews but between Allah and Yahweh. There is no question of the outcome, but it will be costly for both sides: Israel will be severely disciplined and her enemies will be destroyed.

Precisely as foretold, Jerusalem is a burdensome stone to all people of the world. How much of a burden is she? The United Nations has spent one-third of its time either deliberating and arguing about or denouncing Israel because of its hold on Jerusalem. A tiny nation

that has one one-thousandth of the world's population has occupied one-third of the United Nations' time! More than sixty thousand individual votes have been cast in the UN against Israel. That is a burden indeed, exactly as the Bible foretold! Is this merely a coincidence? We will pile prophecy upon prophecy being fulfilled in our day until "coincidence" is revealed as utter foolishness.

Skeptics have accused evangelicals of trying to fit prophecy to current events, claiming that no one recognized such prophecies in the past but only since Israel was formed in 1948. On the contrary, for centuries before it happened, most evangelical Christians believed and preached from the Bible the return of the Jews to their own land. Even leading Calvinist John Owen, basing his opinion upon Bible prophecy, wrote in the seventeenth century: "The Jews shall be gathered from all parts of the earth...and brought home into their homeland."<sup>7</sup>

Martin Luther recognized some of the prophecies concerning Israel, and because they had not been fulfilled in his day, he wrote off the Jews as God's chosen people: "If the Jews are Abraham's descendants then we would expect to see them back in their own land [with] a state of their own. But what do we see? We see them living scattered and despised."<sup>8</sup> That the Jews were scattered and despised was itself, as we shall see, a fulfillment of Bible prophecies that Luther didn't recognize. The prophecies concerning Israel's regathering were not for Luther's day but for ours. The very fact that the Jews are back in their own land after twenty-five hundred years of being scattered worldwide, and that they speak their original Hebrew just as King David did three thousand years ago, is a remarkable fulfillment of another Bible prophecy for the last days. No other people have returned to establish their own nation once again, having retained their original language and after being out of their land for such a period of time.

There would seem to be more than enough reasons for this tiny and only recently re-birthing nation to tremble before the enemies surrounding her and before the condemnations of the UN and European Union. Surely such a small country could be easily pushed

around. Of course, if that were the case, she would be a burden to no one. But Israel cannot be pushed around by her neighbors, nor by anyone else. The Israeli Defense Forces are among the best in the world—exactly as the Bible foretold.

## LIKE A FIRE DEVOURING SURROUNDING NATIONS

And that fulfills another prophecy: “In that day will I make the governors of Judah like an hearth of fire among the wood...and they shall devour all the people round about...”<sup>9</sup> This is exactly what has happened, to the surprise and chagrin of the world. Notice the repetition in many last-days prophecies of the phrase, *I will*. God is doing something on this earth in preparation for judging the nations. Those who refuse to see God’s hand at work will reap the consequences for their unbelief in the face of overwhelming evidence.

In October of 1973, in what became known as the Yom Kippur War, the attacking Arab forces from Egypt (eighty thousand Egyptians overwhelmed and slaughtered five hundred Israeli defenders along the Suez) and Syria (fourteen hundred tanks swept down the Golan with only *one* Israeli tank in service to oppose them) caught Israel completely by surprise. The Soviets knew exactly when the attack was coming (October 6, 1973) and removed the last of the dependents of their staffs on October 5. America’s National Security Administration (NSA) knew that an Arab Pearl Harbor was about to be launched against Israel. Dozens of notices were sent by the NSA to the Nixon White House, which had positive evidence at least two days in advance of the attack. Nixon, however, for his own reasons, chose not to notify Israel, probably imagining that this horrible betrayal of our only real ally in the Middle East would not be discovered.

The White House finally gave Israel a reprehensible few hours notice but insisted that Israel refrain from preemptive strikes and be certain not to fire the first shot. U.S. Secretary of State Henry Kissinger went incommunicado at the Waldorf Astoria hotel in New York the day of the attack and waited another three days before convening the UN Security Council. He wanted the Israelis to be bloodied up a

bit. Most of Israel's armed forces were off duty, celebrating Judaism's highest holy day. The initial success of the attackers, when Israel was trying to mobilize its military and reservists, so electrified the Arab world that nine other Arab states hurried to get in on the slaughter.

Instead of rushing military supplies to Israel, the United States excused itself by saying that it had to be careful not to upset the Arabs and cause an oil crisis and that no American airline was willing to fly even the spare parts Israel was pleading for into the war zone. Oil negotiations were underway in Vienna at that very time. Any country that helped Israel in the war faced an oil embargo.

"The Soviet Union blocked any UN attempt at a cease-fire and refortified the Arab forces with armaments and supplies from the air and the sea."<sup>10</sup> Israel suffered about three thousand dead—a huge percentage of her population, which would be comparable to one hundred fifty thousand dead for the United States. Except for a series of what could only be called miracles from God, Israel would not have survived.

History Professor David A. Rausch writes, "Jordan's King Hussein sent two of his best armored brigades to Syria. Saudi Arabia and Kuwait financially underwrote the huge cost while sending thousands of troops to fight the Israelis. Kuwait lent her British-made Lightning jets to Egypt. Libya's Muammar Qaddafi turned over forty French-made Mirage III fighters and 100 tanks. Iraqi MiG fighter jets as well as tank and infantry divisions fought on the Golan Heights, while a squadron of Iraqi Hunter jets was utilized by Egypt. Arabs predicted the extermination of the Jewish state and the 'liberation' of Palestine."<sup>11</sup> It was the closest Israel ever came to being defeated. But when the war ended, the Israeli tank columns were on the outskirts of Damascus and Cairo and could have taken those cities had they not been called back for political reasons.

### **A STERN WARNING TO ALL NATIONS**

God goes on to say through His prophet, "All that burden themselves with it [Jerusalem/Israel] shall be cut in pieces, though all the

people of the earth be gathered together against it.” Obviously Israel, no matter how efficient her armed forces may be, cannot defeat *all* the nations of the world. God does not waste words. A world united in a huge military attack upon Israel is not an idle speculation. Clearly, God is declaring that *all* nations will come against Jerusalem and that He will defend Israel and destroy them. This solemn declaration is made a number of times in the Bible.<sup>12</sup>

But why would God bring all nations against Jerusalem and Israel in order to put an end to them? God gives two very clear reasons: “I will also gather all nations, and will bring them down into the valley of Jehoshaphat, and will plead with [punish] them there for my people and for my heritage Israel, whom they have scattered among the nations, and parted my land.”<sup>13</sup>

This is a grim prophecy, precise in its language, and once again it applies only to our day. For twenty-five hundred years, all nations have played their role in persecuting and thereby scattering the Jews around the world. Only within the last eighty years, however, has the land been divided. Israel has been conquered by many nations in the past, from the Babylonians to the Romans to the Turks. Always, the conquering power occupied the entire land. Never did they divide the land. That has only recently occurred for the first time in world history—and *all* nations have united to do so.

The 1917 Balfour Declaration, 1919 Paris Peace Conference, and 1922 Declaration of Principles of the League of Nations recognized that the ancient land of Israel (which had come to be known as “Palestine”) belonged to the Jewish people. It was set apart for them, and Great Britain was given the mandate to see that “Palestine” once again became the national homeland of the Jews who had been scattered worldwide.

Instead, to curry Arab favor because of their oil, Britain divided it, giving more than 70 percent to its protégé, Emir Abdullah Hussein, when he was forced to leave the ancestral Hashemite domain in Arabia. That gift created the Hashemite kingdom of Transjordan, now known as Jordan. The Muslims immediately demolished every Jewish house of worship and expelled all Jews. This was months

before the State of Israel was born. (One can count the demise of the British Empire, upon which “the sun never sank,” from the time it betrayed the Jews, as God had warned: “I will...curse him that curseth thee.”<sup>14</sup>) In UN Resolution 181, November 29, 1947, the nations joined to further divide the land. Israel received only 13 percent of what had been designated for the national Jewish homeland. Jews were pleased to get anything. The Arabs, however, wanted it all. They rioted and attacked Jewish settlements in a reign of terror.

Every so-called peace proposal that the Western powers have since attempted to force upon Israel has been based upon the demand that she relinquish yet more land to the “Palestinians.” Always the cry is, “Just give them a little more!” So it is with President Bush’s “road map to peace”—a further dividing of the land. But God has said, “The land shall not be sold [or traded] for ever: for the land is mine....”<sup>15</sup>

God’s patience is almost exhausted. His righteous anger is directed against the nations of today’s world for dividing His land and against Israel for ever agreeing to do so. (That Israel was pressured by the world is not an acceptable excuse to the God of Israel for disobeying Him.) And He is going to punish everyone involved.

President Bush, who claims to be a Christian and says that he studies his Bible daily, ought to tremble! So should the other parties to the “road map.” They are defying the God of Israel and planning to do what He says will bring His severest judgment, “a destruction from the Almighty.”<sup>16</sup> We will deal with that awesome reality in the last chapter. It is astonishing how many Christians and Jews who claim to believe the Bible remain blind to these prophecies, which are clearly hastening to their fulfillment at the present time.

## ENTER ISLAM!

The enemies surrounding Israel today have one thing that unites them: they are all Muslims. A basic tenet of Islam is that Israel and all Jews must be destroyed. That qualifies them for special wrath from “the Almighty.” Yet this prophecy was recorded in Scripture more than one thousand years before Islam was founded. Muhammad

said, as recorded in the *Sahih Al-Bukhari* hadith, “The last day will not come until the Muslims confront the Jews and the Muslims destroy them. In that day Allah will give a voice to the rocks and the trees and they will cry out, ‘O Muslim, O Abdullah, there is a Jew hiding behind me. Come and kill him!’”<sup>17</sup>

That every Jew on earth must be killed is not an obscure teaching but part of the very foundation of Islam, taught to Muslims down through the centuries from their earliest years. It is taught in every Muslim school all over the world and in the United States as well.

Why must Israel be destroyed? Why not just leave her where she is and isolate the despised Jews from the rest of the world to be confined there? Why not simply reduce her to poverty by economic boycott?

That would not be enough, because it would leave the Jews in possession of part of the land that the Arabs claim Allah has promised to them as their sole right. The very existence of Israel stands as a rebuke to the declarations of the Prophet Muhammad, the Qur’an, and Islamic tradition, which all declare that the land of Palestine belongs solely to the Arabs—and that they will triumph over the Jews.

The Jewish state of Israel must be crushed! Otherwise, Islam has been proved a false religion. So long as Islam exists, in spite of volumes of rhetoric and mountains of peace negotiations, the Middle East conflict can be resolved in no other way than by the annihilation of Israel. To imagine otherwise or that the Arabs have any other intention is to be hopelessly deceived.

At a conference of the Islamic Committee for Palestine, in Chicago, Illinois, December 28–31, 1990, Sheikh Abdul Aziz Oudeh, one of the leaders in the Islamic Jihad Movement, declared: “Now Allah is bringing the Jews back to Palestine in large groups from all over the world to their big graveyard where the promise will be realized upon them, and what was destined will be carried out.”<sup>18</sup> Of course, he was not referring to the many biblical prophecies that God would, in the last days, restore the scattered Jews back into their own land, to which the Messiah would return to reign over them and the world

from the throne of His father David. He was obviously referring to Muhammad's prophecy (in direct opposition to the Bible) that the Muslims would kill all Jews at the last day.

This was also the prophecy to which Sheikh Yousef al-Kirdawi referred, when, in 1989 in Kansas City, he told a group of Muslim men whom he was recruiting for Holy War, "On the Hour of Judgment, Muslims will fight the Jews and kill them."<sup>19</sup> Clearly, the battle is not so much between Arab and Jew as it is between Allah, the God of Islam and the Qur'an, who hates and has sworn to destroy the Jews, and Yahweh, the God of the Bible, who loves the Jews and has sworn to protect them. There is no question that Allah and Yahweh are not the same!

The consequences for those who follow the wrong "God" will be severe. This is the issue that political, military, and religious leaders are not willing to face. They are defying the God of the Bible and will be punished. We cannot pick and choose to believe some parts of the Bible and reject others—but this irrational defiance of God is popularly adopted today.

### **THIS IS ISLAM!**

There is not an Arab/Muslim map in the entire world that shows Israel! The logos of the PLO and similar terrorist groups display "Palestine" without Israel. For Muslims and "Palestinians," Israel does not exist, and they are determined to make that a reality. Israel is also missing from the map of the Middle East on the wall of the apartment of the Christian Peacemaker Team (apparently, without their ever having noticed this damning fact), who are "living in Hebron in solidarity with the Palestinians against 'colonialist' Israel."<sup>20</sup> Until Islam's real intentions are faced and somehow dealt with, any "peace" plans for the Middle East are a fool's dream.

Although there are Arabs living in all of the Middle Eastern countries, and they are collectively referred to as "the Arab world," these neighboring nations that seek Israel's destruction are not primarily of Arab descent. The Lebanese, Syrians, and Iranians are not

Arabs, nor are the Iraqis, Egyptians, Libyans, Moroccans, Tunisians, Algerians, et al. Only the Saudis are Arabs.

Islam is an Arab religion that originated in the Arabian Peninsula. It was the past conquests by Islam's legions of *jihad* warriors that "converted" Israel's neighbors under threat of death: "Submit to Allah, or die!" And it is the religion of Islam, to which they were forcefully converted and are now fanatically devoted, that unites these otherwise diverse peoples in the passion to annihilate Israel.

Israel's neighbors were not united ethnically, politically, or religiously when Zechariah's remarkable prophecy (it must have seemed impossible in his day) was given twenty-five hundred years ago. Even the popular T. E. Lawrence (Lawrence of Arabia) had found it impossible to unite Arabs in a sense of nationalism. The only unity came "by invoking the deeply rooted religious prejudice of the masses against the Palestinian Jews...." On their part, the British blamed the Jews for provoking the Arabs to hatred and murder "by their very presence."

Were it not for their common hatred of Israel today, these nations would fight one another. One cannot understand the present situation in the Middle East without acknowledging that it is the devotion of Israel's neighbors to the religion of Islam that unites them against her, a fact that western peacemakers refuse to acknowledge, thus dooming their efforts from the beginning.

This religious unity is not the ancient heritage of these nations. In their early histories, they all worshiped different gods and fought one another. It was the Muslim conquest, beginning in the seventh century, that united these nations by force under Allah and Islam. This was the fastest spreading and largest empire ever seen—and the greatest example of the imperialism of which these Muslim nations accuse Israel!

Arab leaders have declared repeatedly for more than fifty years, "The struggle with the Zionist enemy is not a struggle about Israel's borders, but about Israel's existence."<sup>21</sup> Such statements do not come from a few fanatics but from every true Muslim who knows and practices his religion. This is Islam! Yet these basic facts are avoided by the West in its attempts to establish "peace" in the Middle East.

**JERUSALEM: ANOTHER SIGN IN OUR DAY**

The possession of a large part of the world's major oil deposits allows Muslim nations to hold a club over the West for Islam and Allah. Aware of that fact, the European Union continues to remind Israel that it "does not recognize Israel's sovereignty" over Jerusalem. The Vatican, for its own reasons (numerous official documents declare that the Church has replaced Israel as the "people of God"), has opposed Israel consistently, refusing even to recognize its existence until 1994, forty-six years after its declaration of independence. The PLO is in control of Temple Mount, the very heart and soul of Jerusalem. The nations of the world refuse to recognize Jerusalem as Israel's capital.

The United Nations has consistently taken the side of the Arabs against Israel, making the allocation of land to Israel by the UN in 1947—something the UN would not do today—all the more miraculous, in fulfillment of Bible prophecy. The UN is adamantly opposed to Israel and everything she does—and is thus defiant of the God of Israel and His pledge to restore His people fully to the land He gave them "from the river of Egypt unto the great river, the river Euphrates."<sup>22</sup> From 1967 through 1989, out of 865 resolutions in the Security Council and General Assembly of the UN, 526 were against Israel. The last anti-Arab vote was fifty-eight years ago, in 1947. Not once has the UN reprimanded those who have, without provocation, beginning in 1948, waged five wars against Israel with the openly declared intention of annihilating her. Nor have the terrorists ever been condemned by the UN. In November 2003, Israel introduced its first request for a resolution since 1976, asking for a prohibition against Arab terrorists who deliberately target Israeli women and children. Its request was rejected, and the UN instead adopted a resolution demanding protection of Palestinian children from Israel.

On March 25, 2004, the United States blocked a proposed UN Security Council condemnation of Israel's targeted killing of Hamas founder and leader, Sheikh Ahmed Yassin, because the Council refused to include a condemnation of Hamas terrorist attacks on Israeli civilians. The next month, an Israeli missile also killed Yassin's

successor, Abdul-Aziz Rantisi, one of the four leaders who founded Hamas in 1987 at the first Intifada. (No wonder Israel's neighbors tremble, considering the technology, precision, and flawless execution required to identify immediately the occupants of a car and destroy it within minutes with a missile!)

Hamas has not identified Rantisi's successor for obvious reasons. It is rumored, however, that Khaled Masha'al, who leads Hamas from Damascus, secretly appointed Mahmoud A-Zahar to head Hamas in the Gaza Strip. Predictably, there was worldwide condemnation for the just execution of Yassin and Rantisi, two mass murderers and terrorist leaders, but no condemnation for the hundreds of suicide bombers Hamas has trained, equipped, and sent into Israel to deliberately kill innocent civilians.

Indeed, suicide bombers (President Bush calls them "homicide bombers," i.e., murderers<sup>23</sup>) are the most honored people in PLO territory. The PLO-controlled newspaper has "wedding announcements" and invitations to join in celebration with families who are rejoicing over the "marriage" of terrorist sons to the "dark-eyed" virgins in Paradise through their "martyrdom" by suicide in Israel, killing innocent women and children in the process.

## AMERICA AND EUROPE ARE ALSO TARGETS

The very morning of September 11, 2001, in a time zone six hours to the east, an editorial in Arafat's controlled newspaper, *Al-Hayat al-Jadida*, stated, "The suicide bombers of today are the noble successors of the Lebanese suicide bombers who taught the U.S. Marines a tough lesson in Lebanon [243 were killed when a barracks was destroyed]. These suicide bombers are the salt of the earth, the engines of history...the most honorable people among us." A few hours later, down came the Twin Towers, to the glory of Islam and Allah—and thousands danced in the streets in ecstatic approval throughout the Muslim world.

Since then, a bewildered America has asked a thousand times, "Why were the Twin Towers brought down, and why are American

interests around the world being attacked by Muslim terrorists? Why do they hate us, after all the good we try to do?” It can’t be because we invaded Afghanistan and Iraq; the 9/11 attacks came first.

It is shocking but true that the real question is, “Why have there not been many more similar attacks throughout America?” As we will see, the terrorists are not extremists (we’ll have to get over that delusion to successfully fight terrorism); they are real Muslims, earnestly following the example and teaching of Muhammad, the Qur’an, and the hadith. They hate us not only for supporting Israel (without Israel to focus energies upon, there would be even more terrorism worldwide) but for our economic, political, and military success, and for the freedoms we advocate and practice, which Islam cannot tolerate.

Madrid and London have learned that Al Qaeda can attack anywhere and at any time. Why has there not been a major attack in America since 9/11?<sup>24</sup> Early in July 2005, counterterrorism expert Juval Aviv said, “I predict, based primarily on information that is floating in Europe and the Middle East, that an event is imminent... here in the United States.” WorldNetDaily editor Joseph Farah has been reporting for some time that Al Qaeda has nukes inside the United States.<sup>25</sup> Paul Williams, a former FBI consultant, says there is no question but that Al Qaeda has already smuggled dozens of fully assembled nuclear weapons into the United States. He claims that “[a]ccording to captured Al-Qaeda leaders and documents, the plan is called the ‘American Hiroshima’ and involves the multiple detonation of nuclear weapons already smuggled into the U.S. over the Mexican border.”<sup>26</sup> An unnamed Homeland Security insider claims that “intelligence within the U.S. says that a nuclear attack, or more likely many of them at the same time across America, is imminent.”<sup>27</sup>

There are literally many thousands—if not millions—of young Muslims, men and women, who are both ready and eager to gain instant entrance to Islam’s “Paradise” by dying as suicide bombers against the United States not only in Iraq but in America itself. It is not alarmism to state that we could be seeing suicide bombers in our

shopping malls, on buses, and on trains. The question is only why this has not already happened. Our borders, especially with Mexico, are easily penetrated. The situation worldwide is far more serious than the average person who relies upon news media for information can even imagine. This book explains what Bible prophecy says about the current danger, where it will ultimately lead, and what we should do about it.

### **JERUSALEM TRODDEN DOWN BY THE GENTILES**

We are witnessing in our day the continuing fulfillment of Christ's remarkable prophecy: "Jerusalem shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled."<sup>28</sup> Jerusalem has been fought over and occupied by nearly every major power in history. Today, though Israel is militarily in control of Jerusalem, non-Jews continue to reject her legitimacy and to dictate practical policy with regard to Jerusalem. According to Christ, this will continue to be the case until Armageddon. Only then will the "times of the Gentiles" be fulfilled.

When Israel took East Jerusalem in 1967, and her soldiers wept at the Western Wall, it seemed that Jerusalem had at last been liberated from Gentile domination. However, acting on his own, without official approval, General Moshe Dayan, apparently hoping to prove to the Arab nations Israel's peaceful intentions, turned over Temple Mount (the holiest site in Israel) to the king of Jordan. In 1994, Jordan turned it over to the PLO. This openly terrorist organization, through its Waqf (in charge of Muslim sites on Temple Mount), remains in control. It is in the process of building the largest mosque in the world underground (weakening supporting walls holding up the Temple Mount and blaming Israel for their collapse) and at the same time attempting to eliminate every vestige of any historic Israeli presence there. In this construction, the Waqf has destroyed tons of priceless ancient artifacts. The PLO defiantly claims that there never was a Jewish temple on Temple Mount and that this location was never a holy site for Jews—and much of the world believes the lie!

In fact, there are numerous centuries-old Arab and Muslim

statements acknowledging Jerusalem and Temple Mount as holy to the Jews. In A.D. 1225, Arab geographer Yakut, while noting that Mecca was “holy to Muslims,” wrote that “the city of Jerusalem was holy to Jews and Christians, as it has been for 3,000 [years].”<sup>29</sup> There are many references in early Arab literature to the fact that the Dome of the Rock was built on the site of the ruins of Solomon’s temple. The very fact that, as far back as we can trace, it has always been known as Temple Mount proves that it was the site of a temple—which could only have been Jewish, not Islamic, because Muslims don’t have temples but mosques.

The 1978 *Palestinian Encyclopedia* declared, “Ever since the destruction of the Temple, the link with Jews and Christians has been severed.”<sup>30</sup> The Palestinian Authority itself has acknowledged that “Umar [in fact, it wasn’t Umar but Abd al-Malik] ordered the building of a mosque [Dome of the Rock] on the site of the ruined temple...a revivification of the old Jewish temple...the mosque was not a ‘usurper’ of a Jewish holy site [but] a legitimate celebration of that site.”<sup>31</sup> Yet Muslims today promote the lie of Jerusalem and Temple Mount belonging to them as a major argument against Israel—and that becomes the basis of the world’s attitude toward Israel because she neglects to set the record straight!

Israel considers Jerusalem to be its capital. It became Israel’s capital under King David three thousand years ago. Israel’s Knesset is located there. The embassies of other nations, however (with the exception of Costa Rica and El Salvador), are located elsewhere. UN Resolution 181, November 29, 1947, which partitioned “Palestine,” decreed that “the city of Jerusalem shall be established as a *corpus separatum* under a special international regime, and shall be administered by the United Nations.” The UN Security Council, in UN Resolution 478, declared that the 1980 Jerusalem Law designating Jerusalem as Israel’s “eternal and indivisible” capital was “null and void and must be rescinded forthwith” (14-0-1, U.S. abstaining). The resolution instructed member states to withdraw their diplomatic representation from the city as a punitive measure. On March 26, 1999, the EU published its “Berlin Declaration” supporting an independent

Palestinian state, and the German Ambassador to Israel reiterated that the EU considers the *corpus separatum* declaration of UN Resolution 181 to be “international law.” The UN, EU, and the Vatican periodically insist that Israel’s “occupation” of Jerusalem is illegal. So the fulfillment of Christ’s prophecy continues in our day.

The United States Jerusalem Embassy Act, passed by Congress in 1995, states that “Jerusalem should be recognized as the capital of the State of Israel; and the United States Embassy in Israel should be established in Jerusalem no later than May 31, 1999.” Since then, the relocation of the embassy from Tel Aviv has been suspended by the President semi-annually, each time stating that “[the] Administration remains committed to beginning the process of moving our embassy to Jerusalem.” As a result of the Embassy Act, official U.S. documents and websites refer to Jerusalem as the capital of Israel. On its part, Israel considers itself not to be bound by Resolution 181 because it was rejected by the Arabs in the UN and in their coordinated attack upon the new state of Israel.

Section 214 of the Foreign Relations Authorization Act, 2003, states:

The Congress maintains its commitment to relocating the United States Embassy in Israel to Jerusalem and urges the President to immediately begin the process of relocating the United States Embassy in Israel to Jerusalem.<sup>32</sup>

## **STILL TRODDEN DOWN**

President Bush dismisses this section as “advisory,” stating that it “impermissibly interferes with the President’s constitutional authority.”<sup>33</sup> Bush is technically correct. The U.S. Constitution reserves the conduct of foreign policy to the President. Therefore, acts of Congress that make foreign policy are invalid. But one wonders why, as a professing Christian, President Bush doesn’t take a step that would honor the Bible and the God of Israel, especially since Congress urges him to do so.

Is Bush fearful of offending Muslims because they control most

of the world's oil? Surely he is not intimidated by the denunciations they periodically pronounce against the very thought of America moving its embassy to Jerusalem. One of the latest such threats came from Sheik Ibrahim Madiras in his Friday sermon broadcast over Palestinian television on January 7, 2005: "Bush dug a grave the day he invaded Afghanistan, and prepared the grave for burial the day he invaded Iraq. By Allah, America will be buried the day the American embassy will be moved to Jerusalem...."<sup>34</sup> The Sheik acknowledges that the battle for Jerusalem pits Allah against the God of the Bible.

While visiting Jerusalem in 1998, the Vatican's foreign minister likewise called the Israeli presence in East Jerusalem "illegal occupation." In March 1999, Israel was notified again that the European Union "does not recognize Israel's sovereignty" over Jerusalem. In a papal bull on the year 2000 jubilee, John Paul II again rejected Israeli sovereignty over Jerusalem.

In mid-February 2000, the Vatican signed an agreement with the PLO calling for "international guarantees" to preserve "the proper identity and sacred character" of Jerusalem under international control. Waqf director Adnan Husseini, declared, "Israel needs to remember that Jerusalem is not an Israeli city but it is a Palestinian city and we decide what happens here."<sup>35</sup>

Precisely as Christ foretold nearly two thousand years ago, Jerusalem is still being "trodden down by the Gentiles"! That fact is nowhere more thoroughly documented than in the book, *Jerusalem: The Truth*, a compilation of editorials by David Bar-Illan, Executive Editor of *The Jerusalem Post*.

The God of Israel will not allow this desecration of His "holy city,"<sup>36</sup> the "city of God,"<sup>37</sup> to continue beyond the time Christ appointed.

In fact, Jerusalem has been an Israeli city for the three thousand years since David established it. Arabs who call themselves "Palestinians" dispute that claim. To whom does Jerusalem and all of the land that once was Israel but is now erroneously called "Palestine" really belong? The truth is a matter of history and the testimony of Scripture, which is easily proved.

## GLOSSARY

**Allah** – Contraction of Al-ilah (al is “the,” ilah is “god”), meaning the chief among some 360 idols in the Ka’aba, located in Mecca. Moon god worshiped by pagan Arab tribes long before Muhammad was born.

**Al Qaeda** – Terrorist group that brought down the World Trade center in New York September 11, 2001, headed by Osama bin Laden and Dr. Abu Musab al-Zarkawi.

**Anti-Semitism** – Irrational and Satanic hatred of all Jews and of Israel, fulfilling Bible prophecy.

**Arabs** – Semitic people group that claims direct descent from Ishmael, Abraham’s firstborn son, and thereby exclusive right to the Promised Land given by God to Abraham.

**Calvinist** – Christian who claims to adhere to the “Reformed faith” of John Calvin as true Christianity. Teaches that God has predestined some for heaven (Christ died only for them) and the rest for eternal damnation. Many also believe that the church has

replaced Israel. Includes most Presbyterians and many Baptists and Independents.

**Christian** – One who believes in Jesus Christ as Savior of the world through His death on the Cross for mankind’s sins, and His burial and resurrection as revealed in the Bible.

**Dhimmi** – A fifth-class citizen (only a Christian or Jew) heavily oppressed and humiliated under “protective” Muslim rule. All others, looked upon as pagans, must either convert or be killed.

**Evangelical** – Bible-believing, born-again Christian who follows the Word of God without compromise and obeys the command to preach the gospel everywhere and to everyone.

**God of the Bible** – The Creator of the universe, as revealed in the Bible, who exists outside of time, not part of the universe, as three persons (Father, Son, and Holy Spirit), separate and distinct, yet one God.

**God of Israel** – The God of the Bible, called the “God of Israel” 203 times in Scripture.

**Hadith** – Sayings and deeds of Muhammad as reported by his closest companions. Considered to be as authoritative as the Qur’an, which cannot be understood without it.

**Hajj** – Pilgrimage to the Ka’aba in Mecca and participation in the pagan rituals involved. One of the Five Pillars of Islam and required of a Muslim at least once in a lifetime.

**Hamas** – Islamic, anti-Israel/Jew terrorist organization, headquartered in Damascus and responsible for multiple suicide bombings and other terrorist attacks against Israel.

**Hijrah** – Muhammad’s night flight from Mecca to Yathrib about A.D. 622. Muslim calendar of 30-day months dates from that time and is shown as A.H., meaning Anno Hijrah, in the year

of the Hijrah, just as A.D. means Anno Domini, in the year of our Lord.

**Hizballah** – Terrorist organization. Name means “Party of Allah.” Based in Damascus. Responsible for many attacks upon Israeli civilians, leaving thousands dead and wounded.

**Holocaust** – The Nazi-planned and efficiently executed murder of about 6 million Jews, mostly in death camps designed and operated for that purpose.

**Islam** – Seventh-century Arab religion founded by Muhammad, now with about 1.3 billion followers. Basically a carry-over of pagan practices involving the Hajj and feast of Ramadan that had been followed by Arab tribes for centuries before Muhammad was born. Includes belief that Allah (formerly the chief idol in the Ka’aba) is the only god and must be worshiped by all peoples under pain of death, and that any who become Muslims and then convert to another religion are to be beheaded.

**Israel** – Land that the God of the Bible, the God of Israel, gave to Abraham, Isaac, Jacob, and their heirs as an everlasting inheritance. Known then as the land of Canaan, occupied by Canaanites, who, because of their evil, were killed or expelled by the Israelites, under God’s command. Thereafter known as Israel until the Romans renamed it Provincia Syria-Palestina in A.D. 135.

**Jihad** – Holy War commanded in the Qur’an to be fought perpetually against all peoples until all the world submits to Allah as the only God and to Muhammad as his messenger.

**Hudaybiya, Treaty of** – A ten-year cease fire between Muhammad and Mecca in A.D. 628 (A.H. 6). Established the law of war and peace in Islam that no Muslim may violate today: no peace with non-Muslims; a cease-fire only, which cannot be longer than

10 years. Purpose is to deceive while gaining strength to conquer the enemy.

**Hudna** – Arabic name for the 10-year cease fire Muslims may enter into with the enemy.

**Intifada** – Uprising of Palestinians against Israel instituted by Arafat in December 1987. Periodic false charges of alleged Israeli atrocities providing occasion for new flare-ups of violence. “Intifada” came to be associated with any violent Palestinian uprising. Al-Aqsa Intifada in 2000 protested Ariel Sharon simply visiting temple mount.

**Ka’aba** – Temple in Mecca containing about 360 idols and center of pagan worship of Arabs for centuries before Muhammad was born. Muhammad destroyed all idols, but kept the Ka’aba, its sacred stones, and rituals as central to Islam. Ka’aba today is surrounded by a mosque built around it.

**Messiah** – The promised redeemer of Israel foretold in numerous prophecies so He could be identified beyond question. All were fulfilled in the life, death, and resurrection of Jesus of Nazareth. Fulfilled prophecies were basis of the gospel preached by the early church and still are today.

**Muslim** – A follower of Muhammad, Allah, and the religion of Islam.

**Palestine** – Name given to land of Israel by Romans in A.D. 135, and still used by most of world today. Is actually the land of Israel and will be restored by the Messiah to the Jews, “from the river of Egypt unto the great river, the river Euphrates” (Genesis 15:18-21).

**Palestinian** – A person living in “Palestine.” Applied originally to Jews only but now claimed by Arabs who call themselves Palestinians.

**Passover** – A feast involving a roast lamb, instituted by God the night Israel was miraculously delivered from Egypt. Kept annually by Jews worldwide ever since by God’s command as a memorial of this great event in Israel’s history. Proof that those keeping it are the true heirs of Abraham.

**Qiblah** – Direction in which Muslims must kneel for their daily prayers. Briefly toward Jerusalem, but Muhammad changed to be toward the Ka’aba in Mecca.

**Qur’an** – Compilation by Uthman ibn Affan, third Caliph to succeed Muhammad, of revelations Muhammad allegedly received from Allah through the angel Gabriel. Some parts were lost and others disputed by Muslims who remembered the original.

**Ramadan** – Islam’s yearly dawn-to-sunset 30-day fast beginning with the first appearance of the moon in the ninth month of the Muslim lunar calendar, ending with the feast of Eid Fitr.

**Shari’a law** – The strict adherence to the practice of Islam enforced upon Muslim and non-Muslim alike with the death penalty for those who refuse to submit. Must be imposed upon the entire world, allowing no separation between religious and political rule.

**Shi’ite** – Second largest sect among Muslims (about 150 million worldwide), the majority in both Iraq and Iran. Shi’ites believe that Ali ibn Abi Talib. (murdered in 661 in the mosque in Kufa and buried in Najaf, Iraq), Muhammad’s cousin and son-in-law, should have been the first Caliph to succeed Muhammad, not the fourth of the “rightly guided Caliphs,” and that his descendants are the only line of succession to Muhammad that should lead Islam today.

**Suicide bomber** – Muslim who hides a bomb on his person, or drives an explosive-laden vehicle, and sets it off while among non-Muslims (especially Israelis) or members of a rival Muslim

sect, believing that killing and wounding others at the cost of his own life qualifies as martyrdom in jihad and thus earns entrance into paradise. Has become widespread only within the last fifty years. Generally approved by today's Muslim authorities, though some reject it.

**Sunni** – Largest Islamic sect making up the vast majority of Muslims today. Accept *hadith* as authoritative, and accept the “rightly guided Caliphs” (except Ali whom they blame for Uthman's murder) as successors to Muhammad.

**Trinity** – Biblical teaching that the only true God and Creator of the universe exists in three persons, Father, Son, and Holy Spirit, distinct from each other, yet One God.

**Yahweh** – Name (I AM) of God as He revealed Himself to Moses at the burning bush (Exodus 3:13-16). The self-existent Creator, without beginning or end and with neither need for nor dependence upon any other.

**Zion** – City of David (Jerusalem) and sometimes designating hill upon which it was built.

**Zionism** – Belief that the Promised Land given to Abraham, Isaac, Jacob, and their heirs belongs to the Jews, who have the right to return and to claim it as their own. Not an attempt by Jews to take over the world as some falsely claim.

## BOOKS BY DAVE HUNT

## THE GOD MAKERS

—*Ed Decker & Dave Hunt*

Mormons claim to follow the same God and the same Jesus as Christians. They also state that their gospel comes from the Bible. But are they telling the truth? One of the most powerful books to penetrate the veil of secrecy surrounding the rituals and doctrines of the Mormon Church, this eye-opening exposé has been updated to reveal the current inner workings and beliefs of Mormonism. Harvest House Publishers, 292 pages.

## DEATH OF A GURU:

A REMARKABLE TRUE STORY OF ONE MAN'S SEARCH FOR TRUTH

—*Rabi R. Maharaj with Dave Hunt*

Rabi R. Maharaj was descended from a long line of Brahmin priests and gurus and trained as a Yogi. He meditated for many hours each day, but gradually disillusionment set in. He describes vividly and honestly Hindu life and customs, tracing his difficult search for meaning and his struggle to choose between Hinduism and Christ. At a time when eastern mysticism, religion, and philosophy fascinate many in the West, Maharaj offers fresh and important insights from the perspective of his own experience. Harvest House Publishers, 208 pages.

## THE SEDUCTION OF CHRISTIANITY: SPIRITUAL DISCERNMENT IN THE LAST DAYS

—*Dave Hunt & T. A. McMahon*

The Bible clearly states that a great Apostasy must occur before Christ's Second Coming. Today Christians are being deceived by a new worldview more subtle and more seductive than anything the world has ever experienced. Scripture declares that this seduction will not appear as a frontal assault or oppression of our religious beliefs; instead, it will come as the latest "fashionable philosophies" offering to make us happier, healthier, better educated, even more spiritual. As the first bestselling book to sound the alarm of false teaching in the church, this ground-breaking classic volume still sounds a clear call to every believer to choose between the Original and the counterfeit. As delusions and deceptions continue to grow, this book will guide you in the truth of God's Word. Harvest House Publishers, 239 pages.

## IN DEFENSE OF THE FAITH:

BIBLICAL ANSWERS TO CHALLENGING QUESTIONS

—*Dave Hunt*

Why does God allow suffering and evil? What about all the "contradictions" in the Bible? Are some people predestined to go to hell? This book tackles the tough issues that Christians and non-Christians alike wonder about today, including why a merciful God would punish people who have never heard of Christ, how to answer attacks against God's existence and the Bible, and how to tell the difference between God's workings and Satan's. Harvest House, 347 pages.

THE NONNEGOTIABLE GOSPEL

—*Dave Hunt*

A must for the Berean soul-winner's repertory, this evangelistic booklet reveals the gem of the gospel in every clear-cut facet. Refines and condenses what Dave has written for believers to use as a witnessing tool for anyone desiring a precise Bible definition of the gospel. The Berean Call, 48 pages.

BATTLE FOR THE MIND

—*Dave Hunt*

Positive thinking is usually better than negative thinking and can sometimes help a great deal, but it has its limitations. To deny those commonsense limitations and to believe that the mind can create its own universe is to step into the occult, where the demons who foster this belief will eventually destroy the soul. Unfortunately, increasing millions in the West are accepting this mystical philosophy, forgetting that it is the very thing that has brought many deplorable conditions wherever it has been practiced. The Berean Call, 48 pages.

DEBATING CALVINISM:  
FIVE POINTS, TWO VIEWS

—*Dave Hunt & James White*

Is God free to love anyone He wants? Do you have any choice in your own salvation? "This book deserves to be read carefully by anyone interested in the true nature of God." —Tim LaHaye, co-author of the *Left Behind* series. Calvinism has been a topic of intense discussion for centuries. In this lively debate, two passionate thinkers take opposite sides, providing valuable responses to the most frequently asked questions about Calvinism. Only you can decide where you stand on questions that determine how you think about your salvation. Multnomah Publishers, 427 pages.

WHEN WILL JESUS COME?

COMPELLING EVIDENCE FOR THE SOON RETURN OF CHRIST

—*Dave Hunt*

Jesus has promised to return for His bride, the church. But when will that be? In this updated revision of *How Close Are We?* Dave takes us on a journey through the Old and New Testaments as he explains prophecy after prophecy showing that we are indeed in the last of the last days. In the process, Dave compellingly shows that Scripture illuminates the truth that Jesus will return two times, and that His next appearance—the "rapture" of His church—will occur without any warning. The question is, are you ready? Harvest House Publishers, 251 pages.

COUNTDOWN TO THE SECOND COMING:  
A CHRONOLOGY OF PROPHETIC EARTH EVENTS HAPPENING NOW

—*Dave Hunt*

At last, a book that presents in a concise manner the events leading up to the return of Christ. Dave Hunt, in his characteristic direct style, answers questions such as, Who is the Antichrist? How will he be recognized? How are current events indicators that we really are in the last of the last days? Using Scripture and up-to-date information, Dave draws the exciting conclusion that, indeed, time is short. This book instructs, encourages, warns, and strengthens, urging readers to “walk circumspectly, not as fools, but as wise, redeeming the time, because the days are evil” (Ephesians 5:15-16). The Berean Call, new paperback edition, 96 pages.

A WOMAN RIDES THE BEAST:  
THE ROMAN CATHOLIC CHURCH AND THE LAST DAYS

—*Dave Hunt*

In Revelation 17, the Apostle John describes in great detail the characteristics of a false church that will be the partner of the Antichrist. Was he describing the Roman Catholic Church? To answer that question, Dave has spent years gathering historical documentation (primarily Catholic sources) providing information not generally available. Harvest House, 549 pages.

OCCULT INVASION:  
THE SUBTLE SEDUCTION OF THE WORLD AND CHURCH

—*Dave Hunt*

Occult beliefs march freely across America today, powerfully influencing our children, our society, our government, and even our churches. The deadly impact of Satan’s dominion is seen in the rise of teen suicide, the increase in violence, and the immorality that pervades our society. Noted cult expert Dave Hunt reveals: how Satan’s lies are being taught behind the academic respectability of science; how demonic activities are presented as the path to enlightenment through “alien” contacts and paranormal experiences; how pagan religions are being promoted through ecology and “we are one” philosophies; and how evil is being reinvented as good by psychology and the legal system. Harvest House Publishers, 647 pages.

WHAT LOVE IS THIS?  
CALVINISM’S MISREPRESENTATION OF GOD

—*Dave Hunt*

Most of those who regard themselves as Calvinists are largely unaware of what John Calvin and his early followers of the sixteenth and seventeenth centuries actually believed and practiced. Nor do they fully understand what most of today’s leading Calvinists believe. Multitudes who believe they understand Calvinism will be shocked to discover its Roman Catholic roots and Calvin’s grossly un-Christian behavior as the “Protestant Pope” of Geneva, Switzerland. It is our prayer that this book will enable readers to examine more carefully the vital issues involved and to follow God’s Holy Word and not man. The Berean Call, 576 pages.

SEEKING & FINDING GOD:  
IN SEARCH OF THE TRUE FAITH

—Dave Hunt

It is astonishing how many millions of otherwise seemingly intelligent people are willing to risk their eternal destiny upon less evidence than they would require for buying a car—yet the belief of so many, particularly in the area of religion, has no rational foundation. With compelling proofs, this book demonstrates that the issue of where one will spend eternity is not a matter of preference. In fact, there is overwhelming evidence that we are eternal beings who will spend eternity somewhere. But where will it be? And how can we know? *The Berean Call*, 160 pages.

A CALVINIST'S HONEST DOUBTS:  
RESOLVED BY REASON AND GOD'S AMAZING GRACE

—Dave Hunt

Derived from material in the author's much larger scholarly work, *What Love Is This?* this "user-friendly" book was created out of the need for a non-intimidating, easy-to-read "introduction" to Calvinism. In *A Calvinist's Honest Doubts*, readers discover the heart of a Calvinist "seeker"—and the surprising result of his quest for truth in this fictionalized but true-to-life dialogue, based on years of actual accounts and conversations between the author and Calvinists, former Calvinists, those who love them both, and the Lord that bought us all. *The Berean Call*, 96 pages.

LEST WE FORGET:  
A DOCUMENTARY OF ANTI-SEMITISM PAST AND PRESENT

**IFI-D**—Why is it necessary to be reminded of what really happened in what many considered to be one of the most civilized and enlightened nations on earth? Could what happened in Germany happen again? Amazingly, a growing number of people today deny or minimize the reality of the Holocaust. Hitler's *Mein Kampf* is a soaring best-seller in Turkey and has been a perennial best-seller in many Islamic nations. According to French Interior ministry statistics, anti-Semitic acts nearly doubled in France last year, due to the increasingly violent acts of young French Muslims (even prior to the torching of thousands of vehicles by Islamic youth in 2005). Arab state-run media and education systems seek to dehumanize Israelis and de-legitimize the nation of Israel. *Lest We Forget* is a clarion call to restore sanity in the pursuit of peace, through remembering—and avoiding—the mistakes of the not-so-distant past. Produced by IFI-D (Europe) and distributed in North America by The Berean Call. DVD or VHS, 74 minutes.

# THE FINAL BATTLE FOR JERUSALEM

## Is Nearer Than You've Imagined...

Overflowing with powerful visuals spanning centuries of history and biblical prophecy to clarify current events and future prophecies, this eye-opening video is a gigantic history lesson compressed into one hour—plus bonus footage and Q&A with Dave Hunt.

With more than 3,000 years of history on record, Jerusalem is mentioned an astonishing 800 times in the Bible and is prophesied to play a key role in world destiny. As documented in this film, many of these prophecies have already come to pass. Those yet to be fulfilled are also revealed in this video—with clear

implications for our present day. In his characteristic style of accuracy and truth, Dave Hunt explains...

- how the current peace process is fraught with peril
- why it is impossible for Jerusalem to know true peace in our age
- how a coming world ruler will lead the world's armies to destroy Israel
- the truth about the Vatican's intentions
- the Palestinian myth, and more . . .

*Israel, Islam, and Armageddon* powerfully corrects much of the popular misinformation—and outright propaganda—aggressively advanced by the world media and others. Includes special footage of the terrorist attack on the World Trade Center, a bonus feature with author Dave Hunt, and a provocative Q&A session.
